

About Fusion....

Our company fused together in 2008 when two moms met, one Mom customizing photo jewelry and one Mom customizing photo tiles, and fused their talents into one to become Fusion Jewelry & Tiles. You might notice the "O" in fusion is a puzzle piece. The puzzle piece represents Autism which is how these two Moms were brought together. We owe our dedication to a very special Autistic boy, Grant. We are striving to make a difference for more autistic children donating a portion of our profits to the Lapeer Autism Family Relief Fund through the Lapeer County Community Foundation which helps autistic children with early intervention.
